Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.I Became My Heart is a record of the devotion-and the struggles-of Leo Cocks to live the spiritual life as a disciple of the great Indian teacher and founder of the Self Realization Fellowship, Paramahansa Yogananda. Newly discovered letters and stories of Yogananda make this book, compiled by Leo s long time friend Paul Gorsuch, an important addition to the literature of the great Master and the institution he founded. But I Became My Heart also offers a heartwarming and human account of the Guru-Disciple relationship as it was lived by one of the twentieth century s greatest spiritual leaders and an all-American boy who felt his Master s unconditional love, and with that channel, access to Divine Love. With dozens of previously unpublished photographs and many samples of Yogananda s personal writings, this book will appeal to and inspire spiritual seekers of all faiths.
