Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Annual Report of the Superintendent of Schools, 1919-1920: Plant Opretion To the Board of Education: Ladies and Gentlemen: I beg leave to submit herewith the brief but interesting report of the Bureau of Plant Operation, prepared by Mr. R. W. Rodman, Superintendent of said bureau. The creation of the Bureau of Plant Operation was a progressive step in the administration of our school plant. Prior to the creation of the said bureau, the supervision of janitors was under the general direction of the Committee on Care of Buildings and immediately under the supervision of the Supervisor of Janitors. While the old organization was no doubt sufficient before the school system obtained its present magnitude, I soon became convinced that the creation of an independent bureau under the supervision of an energetic, efficient Superintendent was an absolute necessity, and so advised your honorable Board. Realizing the importance of the problem, the Board of Education, under date of February 13, 1919, adopted the necessary resolution and Superintendent R.W. Rodman assumed charge. Few persons not connected with the school system realize the magnitude of our present school plant comprising more than six hundred school buildings.
