ARTIST: EATING GOD PROFILE

JY Books Sdn. Bhd. (Joey Yap). Paperback. Book Condition: new. BRAND NEW, Artist: Eating God Profile, Joey Yap, What is the Diplomat personality like? What does your 'style' of operation say about you in life? As evident in the name, the Diplomat is mindful of what others think and is eager to keep the peace. They are righteous, law-abiding people with the ability to project a warm and calming vibe into the environment. They are often meticulous workers, great group leaders and solid friends. On the flip side, they tend to retreat in times of conflict and be only concerned with keeping a low profile. They can often suppress their own interests and opinions in order to 'keep the peace'. At their worst, they can be alarmingly passive to kick start any endeavours or projects. Discover in this concise and easy-to-understand book your unique abilities and skills as it helps you understand what you do in the world and how your actions are manifested. This book outlines your plus points and your negative points, and insights on the work, intimate and social masks that you wear to function as a unique individual. It provides ideas on your work style, suitable careers, job roles and leadership style. There is even a special section to show others how to deal with someone like you.
