Createspace, United States, 1985. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.This workbook has been specifically designed to accompany the video series, The Journey to Spiritual Maturity, which can be found at Jamie Buckingham s visually spectacular video series traces the footsteps of Moses and the children of Israel through the Sinai, and shares fresh insights for those seeking to deepen their own walk with Christ. On your journey, you see what Moses saw, and stop where he stopped, as Jamie teaches the lesson in spiritual maturity learned in that place. Featuring more than two hours of footage shot on location in the Sinai, this video series is designed to be used with this workbook which contains a separate, in-depth study for each of thirteen lessons. While these lessons can be completed by an individual reader working at his or her own pace with the use of a Bible, the series and workbook have been found to be particularly effective when studied and discussed a lesson at a time in a small group. Each member of the group fills in his own workbook. At the end of each lesson is a true/false review quiz and a Scripture verse to memorize, which sums up the lesson.
