Cooking Genius, United States, 2013. Paperback. Book Condition: New. 276 x 216 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Now summer is upon us most of us will be getting the barbecues out and using them once more. There are many benefits to be had from cooking food on a barbecue rather than in the kitchen. When you cook food on a barbecue it seems to tastes much nicer. The reason for this being that the intense heat produced by a barbecue helps to actually caramelize the exterior of the food. A barbecue not only helps to actually make food look more appetizing by turning the food a golden brown color, but also you ll find it helps to bring out more of the foods flavor. Of course if you d like your food to taste even more wonderful adding some wood chips to it can prove extremely useful. You ll often find using a barbecue can prove more convenient but also easy to use. Once assembled you simply need to light the charcoal or turn on the gas supply and leave it for a little while to heat up.
