To download **Texas Legal Research** eBook, you should access the hyperlink listed below and save the ebook or have access to additional information that are highly relevant to TEXAS LEGAL RESEARCH book.

Carolina Academic Press, United States, 2013. Paperback. Book Condition: New. New ed.. 213 x 140 mm. Language: English . Brand New Book. Texas Legal Research is a practical, process-oriented guide to the skills and resources necessary to research Texas law. The book is designed for teaching first-year students, either as a stand-alone text or in conjunction with a research text focusing on federal law. The book is also suitable for use in advanced legal research courses. Others who will find the book useful include practitioners, paralegals, college students, laypersons, and anyone needing a concise handbook on how to find and use Texas legal materials. The book begins by explaining the nature and types of legal authority. The process of legal research and control of legal research projects are described in the first chapter, with an emphasis on the integral nature of legal research and legal analysis. These concepts are revisited and reinforced throughout the book. Since students often use online research tools from the beginning of their studies, the second chapter is devoted to online searching techniques and principles, including the tradeoffs and pitfalls of online searching and tips on how to choose between online and print resources. Research using print and online resources is explained for each type of legal resource throughout the book. Chapters are devoted to the resources and techniques of constitutional research, case law research, and statutory research. Chapters on legislative history research and administrative agency research explore these more advanced topics in detail. The historical and governmental roots of Texas legal resources are traced for each type of primary law. Secondary sources are discussed following the chapters on primary law, although this chapter may readily be assigned early in a course. Updating techniques are explained in context for each type of legal material and a chapter is...
