Many wrestle with not feeling smart enough. Many wrestle with not feeling good enough. Many wrestle with figuring out who they are. Identity Crisis is a 21-day devotional plus a portion of Scripture that illustrates one of the many things that God says about you individually. Each reading includes a prayer prompt as well as a quote to share with family and friends about who God says you are. Author Michael D. Perkins believes that after spending 21 days simply listening to what God says about you, that you ll begin to understand who you are in Him, which literally changes everything.
