No other problem is this era is as serious as clashes of civilization. If you will look World War I and World War II, infect all most all the wars in the history of mankind then you will find main route cause of that was only difference between civilizations. A person who follows different religion, caste, tradition or belief we are considering them enemy. How this thinking Develop? What are the reasons behind it? Why clashes of civilization? What will be the after impact? We will go through it and definitely we will find out possible solutions to this problem as well. To live in a safer and happy environment is every individual person s birth right. I am sure after going through this book Insha Allah we will make sure that it will remain same. One strange point to note is that at the time of birth we all are same i.e. we spend same time to grow our needs are same i.e. only some drops of mothers milk. But soon after we develop a different identity....

### Reviews

*This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).*

-- Prof. Kirk Cruickshank DDS

*This kind of book is every little thing and taught me to looking ahead of time and a lot more. I am quite late in start reading this one, but better then never. I found out this book from my dad and i encouraged this pdf to find out.*
