## PAUL WILLEMS - THE CATHEDRAL OF MIST

Wakefield Press, Australia, 2016. Paperback. Book Condition: New. 180 x 120 mm. Language: English . Brand New Book. First published in French in 1983, *The Cathedral of Mist* is a collection of stories from the last of the great Francophone Belgian fantasists: distilled tales of distant journeys, buried memories and impossible architecture. Described here are the emotionally disturbed architectural plan for a palace of emptiness; the experience of snowfall in a bed in the middle of a Finnish forest; the memory chambers that fuel the marvelous futility of the endeavor to write; the beautiful woodland church, built of warm air currents and fog, scattering in storms and taking renewed shape at dusk, that gives this book its title. *The Cathedral of Mist* offers the sort of ethereal narratives that might have come from the pen of a sorrowful, distinctly Belgian Italo Calvino. It is accompanied by two meditative essays on reading and writing that fall in the tradition of Marcel Proust and Julien Gracq. Paul Willems (1912-97) published his first novel, *Everything Here Is Real*, in 1941. Three more novels and, toward the end of his life, two collections of short stories bracketed his career as a playwright.
