These 47 musings were selected to encourage appreciation, respect and study of the Torah (Pentateuch, first five books of the Bible) as the foundation for our Christian faith. More important, these views of His Torah explore its relationship to the New Testament. Like the old song - Love and Marriage, you can't have one without the other. Yosef wants everyone to grow in understanding what our Loving Father God intended for His children. What was God's plan for us from the beginning? He gave us His Word to study and gave us His Holy Spirit to interpret His Word. Topics covered by these 47 bite size Musings include - What is the Torah, God's Feast Days, OT NT Relationships, Treasures in the Hebrew Language and Foresight. The Torah is much more than a book of Law. It is a Tree of Life and contains lessons to enrich our walk and our Christian faith. Are you ready to understand how our Loving Father God wants us to understand His Words to us? You will find these musings useful for preaching, leading Bible studies, and understanding God in a refreshing way. They are humorous, evangelistic, enlightening, testimonial and lovingly provocative with points to ponder.
