Brand New Book ***** Print on Demand *****.Torture, fear and terror are what Middle East terrorists deal in. Hearts of stone such as theirs remains unfathomable. Nevertheless, these guys are for real and they play for keeps. In this saga, they have brought their terror, kidnappings and beheadings to the shores of America. That is until a newly elected President of the United States comes up with a daring plan to bring ISIS down, to include Boko Haram and al Qaeda across four continents simultaneously. Enter the Ram. Few could have volunteered for the sort of mission asked by this president. But one brave man not only answers the call, he goes much farther. He is the outstanding student, athlete, Eagle Scout, volunteer worker, and a friend to all. In essence, he is a cut above the average boy next door. After graduating from college with honors, he enters the Navy s Officer Candidate School. Wanting to test his mettle, he earns the right to become a member of the elite United States Navy SEALs.
