THE DOCTOR AND THE BILLIONAIRE TRILOGY

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Book One: Mised Karen Carver is a doctor who volunteers at a free clinic two days a week. The clinic is run by a local corporation, Gregory Industries. Its founder, Benton Gregory, was raised in the same neighborhood where the clinic is located. Karen, often frustrated by the lack of available budget at the clinic, agrees to help investigate missing medications when a man she believes to be Gregory Industries accountant asks for her assistance. Karen, single for far too long, finds the accountant overwhelmingly attractive. When they meet again so she can report what she has discovered, she finds it difficult to concentrate on anything other than the dimple in his cheek. Book Two: Misunderstood Dr. Karen Carver has spent five years trying to put her past behind her and move on. She rarely trusts easily. This is the case with Benton Gregory, the billionaire business man whose corporation runs the...
