## SANDRA CISNEROS'S WOMAN HOLLERING CREEK

Brill. Paperback. Book Condition: new. BRAND NEW, Sandra Cisneros's Woman Hollering Creek, Cecilia Donohue, This addition to Rodopi Press's Dialogue Series presents a collection of essays solely dedicated to Woman Hollering Creek (1991), Sandra Cisneros's groundbreaking collection of short fiction stories and sketches. The emerging and veteran scholars who have contributed to this text approach Cisneros's work from varied perspectives, including negotiation of geographic and sociocultural borders, popular and material culture, and gender portrayals. Author dialogues, in which the scholars comment upon each other's research, constitute a unique, innovative feature of this particular volume. This book will be of interest to those engaged in Chicano/a literature and feminist/gender studies, as well as instructors of literary critical analysis.
