

Cultural Dimensions in Germany and Japan

Filesize: 1.96 MB

Reviews

An exceptional ebook and also the typeface applied was intriguing to read through. I have got read and i also am sure that i am going to likely to go through yet again once more in the foreseeable future. I discovered this pdf from my dad and i advised this ebook to find out.

GRIN Verlag Jul 2012, 2012. Taschenbuch. Book Condition: Neu. 210x148x1 mm. This item is printed on demand - Print on Demand Neuware - Essay from the year 2011 in the subject Business economics - Business Management, Corporate Governance, grade: 1,0, Furtwangen University, language: English, abstract: In today's business society the 'increasing importance of global business' (Adler 2008, p. 5) can no longer be ignored. Executives need to be 'skilled at working with people from countries other than their own' (Adler 2008, p. 13) because 'only those who really understand their foreign colleagues and themselves can achieve success in international business' (Schroll-Machl 2003, p. 9). Geert Hofstede, a Dutch organizational sociologist, conducted a worldwide study on the influence of national cultures on organizational cultures. One of the dimensions he found during his study was uncertainty avoidance. This dimension 'deals with a society's tolerance for uncertainty and ambiguity. [...] It indicates to what extent a culture programs its members to feel either uncomfortable or comfortable in unstructured situations. Unstructured situations are novel, unknown, surprising, different from usual. Uncertainty avoiding cultures try to minimize the possibility of such situations by strict laws and rules, safety and security measures.' Moreover they are often guided by the 'belief in absolute Truth: there can only be one Truth and we have it. [...] Uncertainty accepting cultures are more tolerant of opinions different from what they are used to; they try to have as few rules as possible' (Hofstede 1994, p. 4). This paper deals with the influence of this uncertainty avoidance dimension and the accompanying appreciation of rules and regulations on doing business in Germany and Japan. 16 pp. Englisch.
