West Academic, United States, 2014. Hardback. Book Condition: New. 6th Revised edition. 257 x 190 mm. Language: English . Brand New Book. The Sixth Edition of this highly-regarded casebook continues its innovative emphasis on the connection between the law of trusts and estates and the changing American family. The Sixth Edition incorporates the most recent uniform acts from the Uniform Law Commission and the Third Restatements of the American Law Institute, and discusses the very latest hot topics, including trust protectors, directed trusts, trust decanting, family offices, and donor standing to enforce charitable trusts. The Sixth Edition also incorporates new important cases, such as the U.S. Supreme Court s decision in *Hillman v. Maretta* (2013). The authors of this book have long been at the forefront of law reform in trusts and estates, and this tradition continues under the authorship of Thomas Gallanis, who is the executive director of the Uniform Law Commission s Joint Editorial Board for Uniform Trust and Estate Acts. He was also an associate reporter for the Restatement Third of Trusts and has been the reporter of two uniform acts, most recently the Uniform Powers of Appointment Act (completed 2013). The Sixth Edition emphasizes problems and questions to facilitate classroom discussion and analysis. Among many other things, the book teaches doctrine and policy, planning and drafting, case analysis and statutory interpretation. The detailed teacher s manual includes extensive syllabi and notes for classroom teaching.
