TEENS SEX HOW SHOULD WE TEACH THEM RESOURCES FOR CHANGING LIVES

P & R Publishing. Paperback. Book Condition: New. Paperback. 28 pages. Dimensions: 6.9in. x 4.2in. x 0.1in. Distorted images of sex bombard our children from every angle. Where can they find a healthy view of their sexuality? How can parents and youth leaders teach kids the life-transforming truths that expose the counterfeits for what they are? Paul David Tripp unearths the premises that underlie popular views of sex and notes several characteristics that make teenagers especially vulnerable to sexual temptation. In addition to showing how sex relates to our worship, our identity, our hearts, and our need for grace, Tripp offers a threefold plan for helping teens deal with sex realistically and in the hope of the gospel. There are 26 other helpful booklets in the Resources for Changing Lives series. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
