His last wish: to return to the Wasteland of Washington DC to see if there s any hope that his mother has survived the nuclear blast. Amaranth Jones has a wish, too: for the chance to redeem herself. To do that, she must leave Liam Harper and her friends at the Mountain Place and never return. When she discovers Rod packing to leave, she insists on joining him, whether he wants her company or not. As they make their way back to ground zero, the two teens confront the horrors of their post-apocalyptic world. Food and water are scarce; nuclear winter has killed both plants and animals. Human life has little meaning and some desperate survivors have surrendered to the ultimate inhumanity: cannibalism. Threatened by weather, other survivors and their own demons, Amaranth and Rod must learn to trust each other if they have any hope of making it through hell and back. As Rod grows weaker, Amaranth is forced to make difficult choices to ensure their survival. How far will she go to help Rod achieve his last wish? And if they find Rod s mother, can the three of them make it back to the Mountain Place alive?.
