Oxford University Press Inc, United States, 2010. Hardback. Book Condition: New. 236 x 160 mm. Language: English . Brand New Book. How did the United States move from seeing preschool as a way to give the nation's poorest children a head start to the goal of providing preschool for all children as the beginning of public education? Drawing lessons from the successes and failures of past efforts, advocates, policymakers, and experts have recently been pushing to make preschool education available to all children. They have had remarkable success at expanding preschool in many parts of the country, and are gaining support for federal action as well. Yet questions still remain about the best ways to shape policy that will fulfill the promise of preschool. The Promise of Preschool investigates how policy choices in the past forty-five years—such as the creation of Head Start in the 1960s, efforts to craft a child care system in the 1970s, and the campaign to reform K-12 schooling in the 1980s—helped shape the decisions that policymakers are now making about early education. It traces decisions made by presidents from Lyndon Johnson to George W. Bush, and by members of Congress, governors, state legislators, educators, researchers, children's advocates, community activists, foundation leaders and others who have shaped our nation's approach to the care and education of young children. Having explored the sources of today's preschool movement, the book then discusses policy questions that need to be addressed as we move forward: should preschool be provided to all children, or just to the neediest? Should it be run by public schools, or incorporate private child care providers? What are the most important ways to ensure educational quality? By looking at these policy issues through the lens of history, this book offers a unique...
