### Reviews

*A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).*

Abbeville Press Inc., U.S. Board book. Book Condition: new. BRAND NEW, Tractor, Peter Lawson, The Turn-the-Wheel board books let even the smallest children change the scene themselves by moving the wheel. The short and simple texts in these books use dialogue (and talking animals!) to bring each vehicle and experience to life. Readers will learn about the lives and work of firemen, fishermen, farmers, and animal rescue workers. As children turn the wheel to find each page's corresponding image, they will exercise their small-motor-skills. A miniature driving tour that parent and child can take together, each of these books focuses on a different vehicle: Animal Ambulance, Fire Engine, Fishing Boat, and Tractor. From an early age, children are fascinated with driving. Here GCOs a book to let them steer on their own.
