Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Whether you are a believer or an atheist, whether youve read the Bible 200 times or never at all, this book is for you. No brow beatings. No selectively warm and fuzzy scriptures. No glossing over the questionable parts. No memorizing a few cherry-picked verses that reinforce a predetermined theological conclusion. Just an honest and humorous look at the Good Book. The long-entrenched status quo of fearful religious obedience is toppling. We are quickly becoming a society that demands evidence and applies scrutiny, as opposed to one that mechanically accepts previously unquestioned dogma. Religion and The Bible are not and should not be immune to such skepticism. The desire for truth, logic and reason should be at the forefront of every examination and belief. Dont be afraid to question everything.
