Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.When we are wronged, we seek justice to remedy the wrong and we go after this justice through State Apparatuses . By State Apparatuses I would include the Courts, Legislature, Military, Municipal Authorities, other Government Services, Police, Prison, Probation, and other Government installed or legislated services. During the process of pursuing justice, the word fair or fairness crops in. Someone would say I expect the process to be fair or another would say the process will be fair. From either expression we are made to believe that fairness is a condition for justice. This is our first insight into understanding fairness as the process for achieving justice. Without fairness, therefore, there is no justice. Intellectually, not only is this a rearrangement of the relationship between fairness and justice it is also an inferential connection between the two notwithstanding that justice was devised as the means to [the] end of fairness. Thus, in normative logic, justice is the process for achieving fairness rather than the other way round. In reality while fairness can be an outcome of justice, justice does not have to deliver fairness. Fairness and justice are parallel principles. Justice is a legal mechanism. It is manufactured. It could, at times, malfunction in the manner in which it is administered. This is its only intrinsic relationship with the concept of fairness. Justice is fair in application if it remains faithful to its processes but unfair in practice if it deviates from those processes. Whether truthful in application or wayward in practice justice can return an outcome that is fair or unfair notwithstanding the construction of justice to deliver fairness only. Fairness is a natural expectation, as old...
