Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.It is quite probable that the reader does not know of the death of George Boon, and that remains before his name upon the title-page will be greeted with a certain astonishment. In the ordinary course of things, before the explosion of the war, the death of George Boon would have been an event-oh! a three-quarters of a column or more in the Times event, and articles in the monthlies and reminiscences. As it is, he is not so much dead as missing. Something happened at the eleventh hour-I think it was chiefly the Admiralty report of the fight off the Falkland Islands-that blew his obituary notices clean out of the papers. And yet he was one of our most popular writers, and in America I am told he was in the hundred thousand class. But now we think only of Lord Kitchener s hundred thousands.
