Preparing Yourself For A Job Interview is perfect for school leavers, graduate students and 1st time job applicants. This book is simply written, yet is effective in giving you what you need to get a job and it has helped many of my students get jobs! You need to be prepared physically and mentally by having a clear, practical and concise step-by-step strategy or roadmap when going for your job interview. You want to be relaxed, sound and look confident. You want to impress the interviewer with your presentation skills so you can be that outstanding candidate they are looking for. This book has 2 sections: 1st section will lead you through a step-by-step process in what you need to do before, during and after an interview. The 2nd section is Discovering Your Genius: Workbook on Skills Identification and Goal Setting. This workbook will help you discover your personality profile in which you can use in writing your cover letter and resume as well as prepare you for speaking while in the interview. By knowing all this information...
