Plough Publishing House, United States, 2015. Hardback. Book Condition: New. Heike Sistig (illustrator). 282 x 216 mm. Language: English . Brand New Book. The royal couple is looking forward to their third child. He looks a little different, muses the king at Prince Noah s arrival. He is not like the others, agrees the queen. Soon they notice what a very special person he is, even though he can t do everything his brothers can. When the youngest prince disarms the cruel knight Scarface, the nation s most dreaded enemy, with an act of compassion, everyone finally realizes how good it is that each person is unique. This delightfully illustrated fairy tale for children three years and older instills appreciation for children with Down syndrome and other developmental challenges, making it a valuable aid for teaching tolerance in the home or classroom.
