Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The work employs the tools of biblical exegesis to consider a topic which has divided religions, caused emotional tension and resulted in harm. This work asks readers to step aside from the political and emotional divisiveness for a moment to become students of the bible. It is a work both about homosexuality and about how biblical texts can be examined by thinking people. In the bible there are six verses by two men, Moses and Paul, which might have some bearing on homosexuality. Always in biblical study, the key questions are: To whom was this passage addressed and to whom does it apply? Especially recommended for: A study guide for congregations preparing to become Open and Affirming A gift for a friend or family member who feels rejected by his or her church Any person questioning his or her sexuality All thinking people of faith who wish to examine the topic at a deeper level.
