Brand New Book ***** Print on Demand *****.Excerpt from History of the Evangelical Lutheran Congregation in Germantown, Ohio: And Biographies of Its Pastors and Founders This little volume has been prepared for the special use and benefit of the members of the congregation whose history it records. To preserve and perpetuate among them and their descendants and successors the knowledge of the first planting and early history of their congregation, has been the main aim and end of the writer. But he has also had another object in view. He has long cherished the hope that the time might speedily come when some one, competent for the task, would undertake the work of writing the history of the Evangelical Lutheran Church in this western world. Fully aware that this can not be done unless the material for the history be first collected, and be furnished ready to the hand of the historian, he has written this account as a small contribution toward a general history. The Lutheran Church in the United States has attained to dimensions, is exerting an influence, and gives promise of a future, that seem to the writer to demand that her history be speedily written, both for the information of her own children, and the Christian public at large.
