### Reviews

*This ebook will never be effortless to get started on studying but extremely fun to read through. It is actually written in easy phrases and never difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Often people think of retailing only as the sale of products in stores. But retailing also involves the sale of services: overnight lodging in motel, a doctor's exam, a haircut, a video-tape rental or a home-delivered pizza. Not all retailing is done in stores. A retailer is a business person who sells products or services or both, to consumers for their personal or family use. Retailers attempt to satisfy consumer needs by having the right merchandise, at the right price, at the right place, when the consumer wants it. Retailers also provide markets for producers to sell their merchandise. Retailers are the final business in a distribution channel that links manufacturers to consumers. A distribution channel is a set of firms that facilitate the movement of products from the point of production to the point of sale to the ultimate consumer. Retail Management is a comprehensive textbook designed to meet the needs of all the students and teachers...
