Paperback. 250 pages. Dimensions: 9.0in. x 6.0in. x 0.6in. There is a legend that the Leviathan and the Behemoth shall hold the battle of the end of the world. They shall kill each other and a huge number of other creatures in the epic battle. The two will finally kill each other, and the surviving men will feast on their meat. According to midrash recording traditions, it is impossible for anyone to kill a behemoth except for the person who created it. Ray Ramson is the son of a former football star whose career ended prematurely with a horrendous injury. Ray is on track to be even better than his father when he befriends a young cancer patient. In the course of donating bone marrow and trying to help the boy survive, he develops cancer himself. However, his body turns the deadly cancer cells into a mutation that fights sickness and regenerates dying tissue, and, after nearly dying, he comes back stronger than ever, eventually marrying his high school sweetheart and fathering a child of his own. The child will be the largest baby ever born on...
